

Tom Miller Assists National Cart:

National Cart Co., a manufacturer from St. Charles, MO., expanded their 24,000 SF Sparks, Nevada branch operations this fall by purchasing a 66,000 SF facility at 305 Western Ave., Reno, NV. This completes an extensive property search over many months to locate the right building at the right price for Rob Unnerstall, National Cart President. Rob says, "Miller Industrial Properties worked for 20 months to locate the right fit for us and negotiated a fabulous price on the building. Their dedication to meeting our unique needs was commendable. The sale process was smooth and professional; no surprises."

"Providing desired results for our clients is the cornerstone of our business" said Tom Miller broker of Miller Industrial Properties, who represented National Cart in the sale process.
