

Corporate Relocations

Our specialty is handling the complete **corporate relocation** of manufacturers and distributors into Northern Nevada, and the related industrial leases, build-to-suits, office leases, land sales and building sales. Additionally, we coordinate executive level residential real estate services, to principals of relocating firms.

" Tom Miller handled every aspect of our relocation from Los Angeles to Reno. He found us the right office location and handled our executive real estate needs as well. I highly recommend him."

We maintain a full, accurate database of all available properties in the Northern Nevada market. [Click here to email us](#) with your requirements and we'll search the database and return to you a spreadsheet of all available properties that meet your needs. If we can't find that perfect match, we can always discuss a build to suit facility for you to lease, purchase or lease with an option.
