

### Land Sales:

Miller Industrial Properties is very active representing buyers in obtaining land for their new facilities. We are experts in land sales.

Tom Miller has built industrial projects in Northern Nevada since 1976. Tom's experience in the area is invaluable in streamlining your search for that right site for your new facility.

Miller Industrial Properties also has successfully completed numerous [Build To Suit projects](#) and we can facilitate that process as well.

We maintain a full, accurate database of all available industrial land in the Northern Nevada market. Please contact us with your requirements and we'll Return a recap of available properties quickly.
